NICK MALLEN RELEASES NEW SONG „VIVRE“

LISTEN NOW

Nick Mallen, a parisian artist released his second single **“Vivre”** on April 16.

He is a singer/songwriter, guitarist and former “The Voice France” candidate from Paris who turns the streets into his stage on a daily basis and fascinates people with his extraordinary voice. Not only has he already grown himself a big fanbase in his hometown Paris, but he also manages to catch everyones attention no matter where he performs. In order to express his feelings towards the current situation perfectly, Nick wrote his new single **"Vivre"** in his mother tongue french. He has already generated a big fanbase and is constantly growing on social-media, having more than 25.000 people on Instagram and over 131.000 people follow him on TikTok.

Of the track, Nick says:

“Vivre is an ode to freedom and liberty. It describes everything that has been happening since the beginning of 2020 and situations that affect people all over the world. In order to express my feelings towards the current situation perfectly, I decided to write a song about it! „

„Vivre“ is out now and waiting for the world to be heard.
